SEPTEMBER TO REMEMBER

Whether it be through retail therapy, dinner out or a quick staycation in the Valley, here are a few new ways to make this month unforgettable. *BY VYLA CARTER*

Get into a happy state of mind at CIVANA Wellness Resort & Spa.

REJUVENATE

CIVANA Wellness Resort & Spa, nestled high in the breathtaking Sonoran Desert, is taking its commitment to "happiness first, healthiness always" to another level. The spa's new Joyful Journey program empowers guests to connect to their happier and healthier selves through over 10 unique wellness experiences that explore all four domains of well-being—spiritual, physical, emotional and mental. Guests can enjoy the Sound Healing for Joy class where the body's natural water is used alongside sound vibrations to create cycles of healing. Or jump into joy with an intense but low-impact beat-based trampoline class. Other experiences include Ecstatic Dance, Gratitude Meditation and a painting workshop—all created to provide unique insights to help guests ensure a happy state of mind, long term. 480.653.9000, civanacarefree.com
